

**Remarks/Arguments**

**Objections to the Claims 11, 17-19, 22, 23, 25, 26, 33, 35-37, and 40-51**

The Examiner objected to Claims 11, 17-19, 22, 23, 25, 26, 33, 35-37, and 40-51 for formal matters. Applicants have amended the above-identified claims as suggested by the Examiner and courteously request that the objection be removed.

**Objections to Sheets 1-5**

The Examiner objected to sheets 1-5 because the lines and characters are not clear. Applicants have submitted new formal sheets 1-5 and courteously request that the objection be removed.

**Certified Copies of the Priority Documents**

Applicants have attached, to the Appendix, certified copies of the priority documents: German Patent Application No. 10337625.9, filed August 16, 2003 and German Patent Application No. 10359634.8, filed December 18, 2003.

**Conclusion**

Applicants respectfully submit that all pending claims are now in condition for allowance, which action is courteously requested.

Respectfully submitted,

C. Paul Maliszewski
